

TWO SCHULTZ BROTHERS TO FACE CHARGES

State police of the Gettysburg substation said today that Nelson E. Schultz, 26, of Orrtanna R. 1, whose truck overturned Monday morning on a mountain road three miles and a half west of Cashtown, killing his younger brother, Barry, 4, will be charged with allowing an unlicensed operator to drive his truck.

The charge involves permitting Merle Schultz, 11, another brother, to steer the truck while Nelson sat behind the wheel and operated the pedals. Merle, state police said, will be charged with operating without a license. The charge will be in the form of a petition to juvenile court.

3 Pinned Under Truck
Barry was pinned beneath the truck and killed at 7:30 o'clock Monday morning while several members of the Schultz family were en route to pick cherries. Merle is said to have told state police that "the truck got going too fast," and he lost control of the steering wheel. The truck went into a ditch on a downhill stretch of dirt road and overturned. The two other Schultz children were also pinned beneath the truck but escaped serious injury. Nelson Schultz, blind veteran of World War II, his mother, wife and four brothers and sisters were riding in the truck. All but Nelson were injured, none seriously.

Funeral Today
Dr. C. G. Crist, Adams county coroner, will hold an inquest in the death of Barry Schultz Friday afternoon at 3:30 o'clock at the court house.

Funeral services for Barry Schultz were held this afternoon at 2 o'clock from the Bender funeral home conducted by the Rev. George H. Berkheimer. Interment was in Flosser's cemetery.

The pallbearers were Glenn Ritzgeal, Jr., Larry, Kermit and Eddie Kane.

LITTLESTOWN ROTARY CLUB'S COMMITTEES HOLD MEETINGS

A. W. Schott, president, was in charge of the weekly meeting of the Littlestown Rotary club Tuesday evening in Schott's banquet hall, when a club assembly was held. A guest package was given by Roy D. Knouse and received by Arthur E. Bair. A. S. Sargent of the Hanover club was a visitor.

Past District Governor E. W. Dunbar gave brief remarks on "The Purpose of Club Assembly," after which all committees held meetings to discuss their programs for the year.

Next week, District Governor William T. Swaim, Mt. Holly Springs, a member of the Carlisle club, will visit the local club. The program will be in charge of the club service committee of which George P. Smith is the chairman.

Odd Fellows Will Hold Picnic Friday

Members and friends of Gettys lodge No. 124, Independent Order of Odd Fellows, will hold a basket picnic supper Friday evening at Sheffer's park, the lodge announced today.

The affair will begin at 6:30 o'clock Friday evening with the members bringing their own picnic lunches and with the lodge furnishing cantaloupes and watermelons. Games and amusements will be directed by a committee headed by Crosby Hartzell.

FRUIT GROWERS PLAN 2-STATE TOUR JULY 29

Plans for the Adams county fruit growers' tour of the Hancock, Md., and Paw Paw, W. Va., fruit belts were completed Tuesday evening at a meeting of the tour committee held at the court house.

Letters were being sent to the members of the county association today telling details of the trip and urging that all members planning to attend send in their reservations as soon as possible so that sufficient buses can be secured for the trip.

The committee voted to make the tour by bus for the convenience and safety of those attending. It was pointed out that a long convoy of cars would slow the trip and be a hazard on the highways.

To Assemble At Fair Grounds
Growers will assemble at the South Mountain Fair grounds, near Arendtsville at 7 o'clock sharp on the morning of Friday, July 29. They will park their cars there and board buses to travel to Hancock, Md., where the growers will view the 2,800-acre orchard of Samuel Dillon, the 900-acre orchard of Stanley Fulton and the 350-acre orchard of J. P. Casper. Packing houses, cold storage facilities, contour planting and orchard management practices at the various orchards will be shown.

From there the group will go to Paw Paw, W. Va., where they will view properties of the Consolidated Orchard company, headed by Henry Miller. The group will eat lunch at Paw Paw and will visit the Consolidated Packing house at Paw Paw, which will be in operation. The packing house can fill three railroad cars with fruit per day and has a cold storage capacity of 175,000 bushels. From there the group will go to the Martin Mountain orchard of the Consolidated Orchard company where there are 200 acres of fruit located at an elevation of 1500 feet. More than 100,000 bushels of Rome, Stayman, Yorks, Jonathan, Grimes and Gano apples are on the trees in the Martin Mountain orchard. Young blocks of red sports of Yorks, Rome and Stayman will also be viewed.

Members of the committee pointed out that "this is an opportunity to visit with the outstanding growers in the east, no one can afford to miss the trip."

SCHOOL BOYS FIND PROFIT IN FARM PROJECTS

The 148 Adams county high school students who participated in 240 projects under the vocational agriculture training courses in the schools last year made a profit of \$31,231.72 on their work, the annual report of Richard C. Lightner, supervisor of agricultural education for Adams and Franklin counties discloses.

A report on proposed projects for next year prepared by Lightner at the same time shows that 207 projects have been started by students of Gettysburg, Biglerville, East Berlin and New Oxford high schools for next year.

The average income per boy from the projects was \$271.84, including both the net profit from the project and the amount he paid himself for his labor. The five fruit growing projects carried out by Biglerville students were the best paying, with the average income per project there being \$521.73. The five students had 9½ acres in fruit and got 2,194 crates of fruit. The cost of operating the projects was \$1,341.75 and total income was \$3,842.58. The youths paid them \$107.80 for their labor, basing the labor cost on the usual standards paid for labor on their parent's farms.

"Big Business"
The projects approached the "big business" level, with expenses for the 148 projects totalling \$52,263.23 and income totalling \$80,808.17.

In Adams and Franklin counties 310 pupils completed projects. They spent \$103,778.86 for expenses in connection with the projects, took in \$150,154.73 from sale of the harvest of their projects and found their total profit \$51,485.03, of which \$25,169.41 was the amount they paid themselves for their labor.

At Biglerville, 35 students completed projects and the total income from the projects was \$11,936.20. The youngsters produced 10,554 pounds of lima beans, 29½ pounds of cabbage, 200 dozen ears of corn, 952 bushels of tomatoes and the like in addition to the fruit, and 4,444 pullets and 3,951½ dozens of eggs.

Report On Produce
The 28 East Berlin students who completed projects racked up a total profit (net profit plus labor) of \$4,021.18 and their production included such things as 115 pounds of cabbage, 11 bushels of cucumbers, 65 dozen ears of corn, 26 bushels of tomatoes, two bushels of turnips, various quantities of peppers, peas, beans of various types, rhubarb, spinach, squash, turnips, potatoes, lettuce, chard, cantaloupes, onions, beets, and even ¼-bushel of peppers. They also produced 3,000 pounds of pork, 1,150 pullets, and 5,100 pounds of beef.

Find Six Bodies After Air Transport Hits 5 Homes; Believe Passengers Safe

Seattle, July 20 (AP)—An air transport with 32 persons aboard crashed into five houses last night in a takeoff from Seattle's Boeing Field. The coroner's office reported many hours later that six bodies had been found in the wreckage of the twin-engine C-46 and the debris of the wrecked homes. The search was continuing.

Miraculously, most—if not all—of the persons aboard the Chicago-bound, non-schedule plane escaped with their lives. Most of the victims were believed to have perished in the houses.

The coroner's office said two of the six bodies had been tentatively identified. The names were not released immediately. Coroner's officers said none of the dead had been identified as having been aboard the plane. The president of the operating company Air Transport Associates, Inc., said he did not think any of those aboard were killed.

A failure of one of the engines was blamed for the catastrophe. The plane, unable to gain sufficient altitude quickly, hit power lines above the Georgetown district in Seattle's South End. Then it plummeted into the houses below, carrying death and destruction with it.

Cutting of power lines threw the area into darkness, broken by the eerie sputtering and flashing of dangerously dangling wires. The

C-46 was a two-engine, 50-passenger transport of a type used widely during the war for troop and cargo carriers.

Seventeen of the plane's 28 passengers and four crew members were hospitalized with injuries. Eight others were treated and released. Three were unhurt and four were unaccounted for. Many of the passengers were servicemen returning home on furlough.

Seven residents of the damaged homes also were injured, and four firemen were hospitalized when a gasoline tank exploded three and a half hours after the crash.

The 50-passenger plane crashed seconds after it took off from Boeing Field on a non-scheduled flight to Chicago for Air Transport Associates, Inc.

Another witness said the right motor of the plane sputtered, then cut out. The plane failed in its climb and began clipping the tops of utility poles. Power lines and telephone wires were felled, plunging the area into darkness and disrupting communications.

The plane ripped through five Georgetown homes. It buried its nose in one structure. About two minutes later it exploded.

During that short interval, passengers jumped or were thrown from the tail of the plane which had been sheared off in the crash.

INTERMEDIATE GIRLS ENROLL 127 FOR CAMP

Two hundred and seventy-one intermediate girls registered at Camp Nawakwa, Arendtsville, on Monday afternoon. This group represents the largest camp ever enrolled at the Lutheran leadership training camp in its twenty-one years history.

The campers are girls who have completed either the sixth or the seventh grades in the public schools. They come from Pennsylvania, Maryland, Virginia, West Virginia and New York. The present camp is scheduled to last until Monday morning. This group will be followed by approximately 225 Senior girls who will be registered next Tuesday afternoon.

Assisting the director, the Rev. George H. William A. Bigham Is Awarded Honors

William A. Bigham, 38 East Middle street, special agent of the Prudential Insurance company of America, was awarded the national quality award at a recent meeting of the Gettysburg-Hanover Life Underwriters Association.

The award is a recognition given annually to life underwriters "who conduct themselves according to the highest standards of ethics and who maintain a high standard of competence by means of continuous study and practice." To qualify for the award, "an agent must have demonstrated a high degree of service to policyholders as indicated by the percentage of the life insurance sold by the agent in a two-year period being continued in force."

Mr. Bigham is also a member of the Leaders club or Quarter-Million Dollar Round Table—an honorary organization within the National Life Underwriters Association. Recently during Prudential's ordinary agencies anniversary month, Mr. Bigham produced sufficient business to place him among the first three leaders of the Harrisburg Agency. He is currently serving on the board of directors of the Gettysburg-Hanover Life Underwriters association.

Car Crashes After Driver Falls Asleep

A 68-year-old Abbottstown man fell asleep at the wheel Monday about 5 p. m. and his auto smashed into a parked car at the intersection of the Lincoln highway and the Maple Grove road near Abbottstown.

York state police said the auto, driven by C. W. Crawford, went over to the left side of the road and hit an auto driven by Edna M. Pagel, 45, also of Abbottstown R. 1. Crawford told the patrolman he woke up after the collision and parked the car on the right side of the highway.

Damage was estimated at about \$100.

LACERATES THUMB

Raymond Sell, 2-year-old son of Mr. and Mrs. Walter Sell, Gettysburg R. 4, was treated at the Warner hospital for a laceration of the right thumb sustained when he fell on a broken bottle while playing Tuesday evening.

Pays Fine Monday; Jailed On Tuesday

John F. Mays, Littlestown R. 1, released from the Adams county jail at 10 o'clock Monday morning after paying a fine of \$10 and costs on a disorderly conduct charge, was back in jail again.

Mays was arrested Tuesday night by Constable Charles Smith on another disorderly conduct charge, filed by a sister, Olive Mays, of Littlestown R. 1. He will have a hearing before Justice of the Peace Robert P. Snyder tonight. Another sister filed the first charge.

USES LARGE NET IN EFFORTS TO RECOVER BODY

State police of the Gettysburg substation arranged today with John S. Ogden, fish warden, of York, for the use of a large, weighted net to drag for the body of Harry Stein, Jr., 15, of Pleasantville, drowned in the Conewago creek two miles above Dicks dam Monday night. The net was brought from York today on a trailer by the York county farm agent.

RITES THURSDAY FOR JOHN C. ORR; COUNTY NATIVE

Funeral services will be held Thursday morning at 11 o'clock at the funeral home at 511 North Second street, Harrisburg, for John C. Orr, 67, Harrisburg insurance man who died early Monday at a hospital in East Stroudsburg. The Rev. Charles K. Zweig, pastor of Salem Evangelical Reformed church, will officiate. Burial will be in the Paxtang cemetery mausoleum.

Mr. Orr was born near Arendtsville, a son of the late Mr. and Mrs. William Orr. He taught school in Adams county for about five years and was one of the original sponsors of the Arendtsville Union park.

Daughter Called

Suffering a heart attack Sunday afternoon at Skytop lodge in the Poconos, where he and his wife had been resting since last Wednesday, Mr. Orr was ordered to the hospital in an ambulance Sunday evening by a physician. He arrived at the hospital at 7:30 p. m. Sunday and died Monday at 2:50 a. m.

Mr. and Mrs. Robert L. Fohl, of Colonial Park, Harrisburg, his son-in-law and daughter, were summoned and arrived at the hospital Sunday evening.

Mr. Orr was a strong supporter of the late Gov. Gifford Pinchot and had been active in Republican circles which adhered to Pinchot policies. He led the Republican opposition to the organization in Dauphin county in 1931, when he was a candidate for Harrisburg city treasurer but lost by a narrow margin to John A. F. Hall in the primary election. The entire independent Republican slate lost in close voting.

Ran For Senate

He ran for the state senate the next year but was defeated by George L. Reed, a foe of Governor Pinchot while he served in the House of Representatives.

Mr. Orr was a former director of the Harrisburg Chamber of Commerce, was a member of Salem church, and was active in a number of civic affairs.

Surviving in addition to his wife and daughter are two grandsons, John and Robert Fohl, and his sister, Miss Mollie Orr, of Colonial Park, Harrisburg.

\$6,000 LOSS IN TRUCK BLAZE

A tractor-trailer truck owned by the Wilson Freight Forwarding company of Cincinnati, and driven by Joseph C. Morrow, 22, of Landisburg R. 1, Pa., was forced off the road two miles south of Dillsburg Monday and caught fire.

State police of the Gettysburg substation said the truck struck a concrete culvert, then went into a drainage ditch before rolling over on its left side.

The tractor was completely destroyed in the ensuing fire, and the trailer, loaded with foodstuffs, was partially burned. Morrow escaped with only slight injuries to his right arm.

Dillsburg firemen were called. Loss was estimated at \$6,000. Police said Morrow escaped being seriously burned because the gas tank under the driver's seat was empty. Gasoline in another tank at the side of the tractor back of the cab caught fire.

USE LARGE NET IN EFFORTS TO RECOVER BODY

State police of the Gettysburg substation arranged today with John S. Ogden, fish warden, of York, for the use of a large, weighted net to drag for the body of Harry Stein, Jr., 15, of Pleasantville, drowned in the Conewago creek two miles above Dicks dam Monday night. The net was brought from York today on a trailer by the York county farm agent.

Since the drowning, fire companies from Gettysburg, Hanover, McSherrystown, New Oxford and East Berlin have searched for the body in the rain-swollen waters of the creek, without success thus far. State police from the local substation have been at the scene continuously.

A smaller net, without weights, was tried Tuesday night but was discarded. Firemen and other volunteers used seven row boats and ten drags Tuesday and Tuesday night. Gettysburg firemen did not return to town until 11 o'clock Tuesday night. They were at the scene until 2:30 o'clock Tuesday morning. East Berlin firemen sought for the body at Brown's dam, below Dick's dam, without success.

Firemen To Return

Gettysburg Fire Chief James A. Aumen today requested that all firemen meet at the engine house on East Middle street at 9 o'clock Thursday morning prepared to return to the scene if the body is not found today or tonight.

Firemen were handicapped in their efforts to recover the body by lack of facilities for obtaining food, water or coffee. An attempt was being made today to have this situation remedied.

The New Oxford Lions club furnished sandwiches and soft drinks for the volunteers this noon.

The Stein boy, son of Mr. and Mrs. Harry Stein, Sr., went to Dick's dam Monday night with the Rev. Emmanuel Hoover, pastor of Mt. Zion Lutheran church, York R. 7, and Paul Garbrick, 19, York R. 5, to look over a camp which a boys' club of Rev. Hoover's church expected to use for a week-end in August.

Garbrick, reported a better swimmer than Stein, went into the swollen stream. Stein was warned against it, and Garbrick said the next he saw of Stein was when he heard his cry: "Help, I can't stay up. I have a cramp in my leg." He was unable to save the stricken youth.

PLAN HIGHWAY OPENING FETE

Henry W. Garvin, president of the Gettysburg Chamber of Commerce, was made chairman of the Adams-Franklin committee for the Lincoln highway, at the organization meeting of the committee at Piney Mountain inn, Fayetteville. Fred J. Brueggeman, secretary of the Chambersburg Chamber of Commerce, was elected secretary-treasurer.

The committee is representative of the Chambers of Commerce of Gettysburg and Chambersburg and of the Gettysburg and Chambersburg Motor clubs and will sponsor and direct formal ceremonies to celebrate the opening of the Lincoln highway between Chambersburg and Gettysburg late in August or early September after construction is completed and the road formally turned over to the commonwealth of Pennsylvania.

Besides President Garvin, the local Chamber of Commerce members of the joint committee are Edmund W. Thomas and Richard E. Deas. Henry M. Scharf represents the Gettysburg Motor club.

Chambersburg representatives are John G. Eppinger, Elber B. Ashway and Frank C. Walker.

Observes Anniversary With National Garage

Carl S. Menchey, manager of the National garage, Chambersburg street, today is observing the 35th anniversary of his association with that business.

Mr. Menchey, a native of Gettysburg, was employed by the late Dave Forney in the early days of the automobile 35 years ago. With the exception of a period of service in the Army during the first world war he has been with the organization continuously. He is married and has three children.

PLAN CRAB FEED

The Elks will hold a crab feed Thursday evening from 6 to 9 o'clock at Benner's grove, Taneytown road. Clam chowder and cold cuts will also be served.

CASHMAN REUNION

The 19th reunion of the Cashman family will be held Sunday, July 31, at the Pines church. A program will be presented and will be followed by a business session.

SCRIBE SALUTES ROBINSON FOR HIS TESTIMONY

By DEWITT MACKENZIE (AP Foreign Affairs Analyst)

A salute to Jackie Robinson, noted former college athlete and now the Brooklyn Dodgers' star second baseman, for his inspiring declaration of faith in our country before the Un-American Activities committee of the House of Representatives.

That declaration constitutes a moving human document—a notable chapter in the history of our troubled times. It was a difficult task for this young negro to take the stand and voice an opinion regarding Paul Robeson's statement in Paris that American negroes wouldn't fight against Russia because they love that country so much.

Robinson had been urged by many people, mostly Communists, not to comply with the committee's request that he appear before it. Why then did he do it? In his straight-forward way he told the congressmen it wasn't easy to find the answer, but he guessed "it boils down to a sense of responsibility."

Jackie said that if Robeson made the statement attributed to him, it sounded "very silly." The witness declared that "most negroes—and Italians and Irish and Jews and Swedes and Slavs and other Americans—would act as all these groups did in the last war. They'd do their best to help their country stay out of the war; if unsuccessful they'd do their best to help their country win the war—against Russia or any other enemy that threatened us."

But this declaration of loyalty was by no means all to be gotten out of Jackie's testimony. Under it all appeared to be an undercurrent of faith that America's internal racial problems were on the way to solution. He didn't evade this delicate issue in his testimony. For instance: "I don't pretend to be an expert on Communism or any other kind of a politicalism. I'm a colored man, I'm a colored American, with thirty years of experience at it. And just like any other colored person with sense enough to look around and understand what he sees, I know that life in these United States can be mighty tough for people who are a little different from the majority—in their skin, color or the way that they worship their God, or the way they spell their names."

Neither Jackie nor anyone else can say at this juncture how the great and complicated racial problem can be solved. What we do know is that it must be solved—and who dares say that this task is impossible for a nation which is a leading exponent of good-will among men. It certainly can't be done by force.

CRAWFORD HAS FLASH FLOOD

Meadville, Pa., July 20 (AP)—A flash flood hit Crawford county last night, sweeping down telephone and electric lines, flooding homes and business places, and doing damage estimated at many thousands of dollars.

A total of 3.35 inches of rain fell in one hour, an all-time record for Meadville.

Lightning hit a substation at Saegertown, cutting off electric lights in about 3,000 homes in Conneaut Lake, Meadville, Edinboro and the western part of Crawford county. The REA said all the trouble was cleared up quickly.

The Pennsylvania Electric company said Mt. Hope, Guys Mills, Townville and Harpursburg were without lights for a time. About 25 per cent of Hillcrest, a section of Meadville, and a few other areas here were darkened. Some of the trouble was not cleared up until today.

Mrs. Bender Wins Handicap Tourney

Mrs. George Bender was the winner of the handicap golf tournament held by the ladies at the Gettysburg Country club Tuesday.

Mrs. A. S. Kunkel and Mrs. J. Donald Swopet tied for second prize. Mrs. Charles Smith was the winner of the putting contest.

Next Tuesday Mrs. Harry Oyler will be the hostess. A luncheon will be held, reservations for which are to be made with Mrs. Oyler until Monday.

HOSPITAL GETS \$100

The will of Maurice W. Bushman, late of Ardenville was filed Monday afternoon in the Adams county court house. Arnold E. Orner, Ardenville, is the executor. The will bequeaths \$100 each to the Warner hospital and the South Mountain Fair association.

Binghamton, N. Y., July 20 (AP)—A seven-man survey group rowed its three canoes down the Susquehanna river today toward Athens, Pa. en route to Chesapeake Bay.

News Briefs

San Francisco, July 20 (AP)—A wartime Japanese radio official swears that Iva Toguri (Tokyo Rose) D'Aquino, upon hearing some U. S. troops were starving for water on a Pacific island, broadcast jeeringly: "Okay, Sarge, leave out the beer; let's have some cold water. Cold water sure tastes good."

The testimony at her treason trial same yesterday from the government's second principal witness. He is George Mitsushio, American-born wartime official of Radio Tokyo.

Lancaster, Pa., July 20 (AP)—Hot hay was listed today as the cause of a fire that destroyed a barn on the farm of John S. Diener. Damage was estimated at \$15,000. Five fire companies responded to the fire alarm. The fire fighters laid hose more than a mile-and-half to a small stream in an effort to save the barn, a nearby tobacco shed, and the farmhouse.

Washington, July 20 (AP)—Dr. Edward U. Condon asked Congress today to safeguard a person's right to present his own case once his name and reputation have become involved in an investigation.

Condon, director of the National Bureau of Standards, gave the Senate Rules committee his endorsement of a bill by Senator Lucas (D-Ill.), the Senate majority leader. The bill would permit a person suffering adverse criticism in a Congressional inquiry to be heard and to cross-examine witnesses having testified against him.

Washington, July 20 (AP)—Senator Baldwin (R-Conn.) urging the Senate to approve the North Atlantic Treaty, said today it could be expanded later into a world alliance to guard the peace.

He suggested also that an international police force is "within the range of possibility" under the treaty.

Harrisburg, July 20 (AP)—Commonwealth Secretary Charles M. Morrison today reminded prospective county judge candidates that next Monday is the last day to file their petitions for the September 13 primaries.

Morrison said no petitions can be accepted after 5 p. m. (EST) on the final day. Petitions are filed with the state Elections Bureau here.

State College, Pa., July 20 (AP)—The third annual conference and workshop for vocational education in agriculture today discussed methods for evaluating and rating student teachers at its opening session.

Representatives from New York, New Jersey, Delaware, Maryland, West Virginia and Pennsylvania are attending the three-day meeting here on the campus of the Pennsylvania State college.

Harrisburg, July 20 (AP)—The Public Utility commission was asked late yesterday by the state CIO to investigate ties between the Bell Telephone Co. and the American Telephone and Telegraph Co.

Harry Boyer, president of the CIO-Pennsylvania Industrial Union council, asked the PUC to reopen its investigation of Bell's proposed \$25,000,000 rate boost.

A rolling mill that rolled iron into desired shapes was patented by Henry Cort of England in 1783.

The first blast furnace was built in 1792 in what was destined to become the steel center of Pittsburgh.

Folkenroth Will Recruit Reserves

Lt. (jg) Richard Folkenroth, 36 East Middle street, has been named as volunteer recruiting officer for this area for the United States Naval Reserve, the Navy announced today.

Former members of the United States Naval Reserve who are interested in joining the Inactive Volunteer Reserve (V-6) can apply to Folkenroth who has forms available to recruit the men.

Membership in the volunteer reserve enables former enlisted men to improve their rating through study courses now available and permits them to qualify for 14 days of training ashore or afloat each year. In addition the enlisted members will be provided with an opportunity to qualify for Reserve retirement pay. A new plan permits the earning of the credits even though the members are unable to participate actively in Reserve drills and training, Folkenroth said.

MORE POLIO CASES

Harrisburg, July 20 (AP)—Seven new cases of infantile paralysis in the past week were reported today by the state Health department. It brought the total for the year to 48. The new cases increases to 16 the number reported so far this month. Dr. William Schrack, Jr., of the Bureau of Health Conservation, said, however that the boost is "normal" for this time of year.

Mary, Queen of Scots, was the world's first woman golfer, and the army cadet who carried her clubs was the first "caddy."

To Attack Beetles By Aerial Spraying

A new method of control for Japanese beetle, corn borer and ear worm is being offered farmers in this area.

The Tyler Flight service of Massapeque, L. I., has sent two airplanes here, two to Westminster and two to Frederick to spray a DDT mixture over the fields of their clients. The concern has operated in the Westminster-Frederick area for the last two years. They have just finished a gypsy moth campaign on Cape Cod.

A. H. Hasbrook, who is in charge of the planes sent here with headquarters at the Gettysburg airport, said the fliers use converted army and navy planes for the aerial spraying. Kenneth W. Tyler, who did combat flying in Spain and China before the last war saw air service during the war and was a test pilot for Republic. He has been flying since 1914. Another of the pilots is a veteran of RAF service and others are army and navy veterans.

New York, July 20 (AP)—The stock market fattened a little more today on a fresh diet of buying orders. Steel shares were much in evidence at higher prices but plus signs were pretty thoroughly distributed over the entire list. Two low-priced utility stocks raced for first place in trading activity—United Corp. and Commonwealth & Southern.

YANKS LOSE TO CLEVELAND 5-4; BOSTON IS THIRD

By JOE REICHLER
(AP Sports Writer)

Is this the start of that long-vaunted New York Yankee collapse? Baseball experts, who vowed the Yankees would finish no higher than fourth this year, were that old wise oak today. A good many of them were ready to give you that "I told you so" routine.

And they may have something more. For the Bronx Bombers of late have looked like anything but the league leaders they are.

In losing yesterday, 5-4, to Cleveland, the Yankees extended their losing streak to three in a row. They now have dropped four of their last five games, three of them to second division clubs. Whereas they once boasted an eight-game margin, their lead has shrunk to three and a half games over the advancing Indians.

College Kids Trip Experienced Players

Haverford, Pa., July 20 (AP)—A pair of college kids stole the thunder from more experienced players in the second day of the 59th Pennsylvania State Men's Lawn Tennis tournament at Merion Cricket club.

While most matches went pretty much according to the draw, Grant Golden, 19-year-old Northwestern University player, and Sidney Schwartz, University of Miami Junior, caused some eyebrows to be lifted in surprise with victories over two seeded players.

Golden eliminated Edd Moylan, Trenton, N. J., sixth seeded. Schwartz disposed of William G. Vogt, of Merion, Pa., seventh seeded, 6-2, 6-8, 6-3.

In other matches played yesterday, Richard Gonzales, U. S. champion from Los Angeles, defeated Jack Geller, New York, 6-1, 6-3; second seeded Victor Seixas, Jr., Cynwyd, Pa., defeated Calhoun Dickson, Tampa, Fla., 6-4, 6-0.

Athletics, 9-4 and 5-4. It was the Browns' fifth straight victory. Jack Graham and Sherm Lollar hit four-baggers in the first game, and Gerry Priddy and Dick Kokos slammed circuit clouts in the second. Bob Dillinger was the chief gun in the Brownie attack, turning in six consecutive hits—three singles and a triple in the opener.

The Dodgers picked up a full game on the Cardinals, edging out the Pittsburgh Pirates, 4-3, while the Boston Braves knocked off the Redbirds, 5-2. Bruce Edwards' singled with the bases loaded and none out in the ninth to snap a 3-3 tie and give the Brooks the decision.

Heintzelman Wins Again
Southpaw Warren Spahn posted his 11th triumph, limiting the Cardinals to six hits as the Braves battled Max Lanier out of the box in the fourth. Elbie Fletcher socked a three-run homer off the Card southpaw in the third.

Scoring at least once in every inning, the New York Giants battered three Cincinnati hurlers for 20 hits including three homers to humble the Reds, 13-3. Hank Thompson, Johnny Mize and Marshall contributed home runs. Larry Jansen coasted to his 10th victory, with Howard Fox getting tagged with the defeat.

Lefty Ken Heintzelman pitched another masterpiece as the Philadelphia Phils nipped the Chicago Cubs, 1-0. Heintzelman scattered nine hits for his 12th victory against three defeats. A single by Andy Seminick scored Willie Jones from second with two out in the last of the eighth for the only run.

Three postponements due to wet grounds Tuesday evening brought the total to 19 games remaining to be played before the schedule is up to date in the Adams County Baseball league.

In the only contest played the league-leading Hanover team hiked its lead over Conewago VFW to a game and one-half by blanking Bendersville 6-0 at Hanover.

New Oxford took solo possession of third place after being awarded a 9-0 forfeit over Orrtanna, the latter team having but eight players present for the game at New Oxford.

Plan Resumption Of Softball Tilts

Unless showers occur today it is expected the Softball league games will be resumed this evening at the recreation park. The field dried considerably Tuesday and it is believed it will be in condition for tonight's contests.

Games carded for tonight are: VFW vs. Lentz Legion, 6:30 p. m. Texas Lunch vs. G. L. Bream Garage.

Moose vs. Lentz Legion.

Harrisburg, July 20 (AP)—Veteran golfer Gene Sarazen flatly predicted today that the winner of the next U. S. Open won't be able to break par for the 72-hole tourney.

With par-shattering performances being turned in at most of the big pro tourneys, the statement sounds a little far-fetched but the New York dairy farmer was dead serious.

Out Of The Past
From the Files of the Star and Sentinel and The Gettysburg Times TWENTY-FIVE YEARS AGO

Biglerville Girl Wedded on July 3:
Word has just been received of the marriage of Miss Ruth Crum, daughter of Mr. and Mrs. Isaac Crum, of Biglerville, to George A. Heller, son of Mrs. Mary E. Heller, west of Biglerville. The ceremony was performed by the Rev. A. Clark, Philadelphia, in the presence of only intimate friends. The marriage took place July 3.

Purchases Large Tract: H. U. Walter, postmaster at Biglerville, announces the purchase of between four and five acres of land on the west side of South Main street, Biglerville, from Amos Sillick. The land fronts 1,007 feet on South Main street, and Mr. Walter expects to lay most of it out into building lots.

Appler Home Sold: Announcement has been made of the sale of the Appler home, 26 East High street, to Mr. and Mrs. William A. Bigham.

Arrives in Europe: Miss Louise K. Brinkerhoff, of Philadelphia, who sailed for Europe on the Berengaria June 23, has arrived safely, according to word received here. Miss Brinkerhoff will spend several months abroad.

Gets Scholarship at Harvard School: Frederick Reinartz, president of the class of 1924 at Gettysburg college, has been granted a scholarship in the graduate school at Harvard. Reinartz will begin graduate work in English, working possibly for a doctor of philosophy degree.

Dr. J. B. Zinn New Instructor: Dr. John B. Zinn, of Worcester, Massachusetts, has accepted the chair in chemistry at Gettysburg college, vacated in June by Dr. Edward S. Breidenbaugh, who that month rounded out fifty years as an instructor of chemistry at the local school.

Doctor Zinn has just rounded out four years as principal of the Worcester Technical high school and teacher of chemistry.

In Morning Wedding: Miss Anna Mary Bosserman, daughter of Mr. and Mrs. S. Clayton Bosserman, Arendtsville, and Paul Monroe Hartman, son of Mr. and Mrs. H. A. Hartman, Arendtsville, were married at 5 o'clock Wednesday morning, at the Lutheran church parsonage, Arendtsville, by the Rev. George B. Ely, pastor.

Anniversary of Double Wedding: The thirty-fourth anniversary of the Bollinger McDonnell double wedding was celebrated on the island in the Monocacy river Thursday at the old Myers mill. Twenty-four of the thirty-four members of the two families were present.

John W. Bollinger and Miss Lily Keeler and John E. McDonnell and Miss Mary Richter were married by the Rev. H. M. Heilman at the Mt. Joy parsonage on July 17, 1890, and since then the two families have been holding annual reunions on their wedding anniversary day.

South Mountain Fair Called Off: There will be no South Mountain fair this year. This was the declaration this afternoon of M. E. Knouse, Bryonia, president of the fair association, who presided at a meeting of the directors at the Arendtsville Vocational school, Arendtsville, Friday night.

Reason for the temporary suspension of the fair was assigned by Mr. Knouse to the fact that it would require between \$3,000 and \$4,000 to build permanent exhibition buildings at the Arendtsville Union park and that the directors did not feel that they wanted to approach the farmers of the upper end of Adams county for this amount of money this year.

In 1778, a huge iron chain 1,500 feet long was stretched across the Hudson river at West Point to prevent British gunboats from going up the river.

Today's Talk

FOR THE GOOD OF ALL

We would all be so much happier in this world if every effort toward the betterment of our community, our country, and the world at large, were made with the idea in mind of the greatest good to the largest number. We confine ourselves to too many groups—usually in the minority—and try to force our ideas upon the many. That is the way it is in politics all too often. For the good of all is a fine idea for all of us to keep in mind.

The scientist works long and late at his experiments. He does not even spare his body. He keeps thinking of the good of all as he works and tries this and that for long periods of time. Atomic research and experimentation are bound to benefit all mankind if the major efforts are put forth so that the world may benefit and not be destroyed by it.

We can well afford to give in to others, and reasonably compromise, if the good of all is the objective. No bitterness should ever follow a majority decision. If that decision is bad and not for the good of all, it can soon be corrected. We should all learn the great benefits that follow good sportsmanship in all walks and experiences of life.

Not only for the good, but the happiness of all should be our objective. Great organizations would not run smoothly, and important things be accomplished, without the hearty co-operation and willingness of all to contribute their share. A few "trouble makers" can bring about a serious situation in any great group that may mean the unfortunate loss to many, as well as to all. We are of all makes by birth and circumstance, but if we keep in mind at all times the good of all, we ourselves will be happy and the best progress made.

If we were all made alike this would be a very uninteresting world. We need the knowledge and ingenuity of the many to give us incentive and ambition. It has been said that two heads are better than one. Well, a thousand heads or more working together for the good of all, can accomplish wonders. We ought to be considerate of the feelings of others, and we ought to respect the ideas and suggestions of others. That is the way to learn. And that is the way to get on!

Biglerville Fire Company Has Served Community 36 Years

Biglerville's fire company took up its fight against the ravages of fire in 1913, for in this year this community company was organized.

The company's first apparatus was a combination pumper and chemical unit. Buffalo chemical equipment and a Hale pump were mounted on a Reo chassis and equipped with 800 feet of hose.

At present their fire-fighting apparatus consists of Laverne fire apparatus company equipment on a Reo chassis. A booster tank and pump are capable of pouring 600 gallons of water per minute on a blaze. In use is 1,000 feet of 2½-inch double jacket hose with standard connections and 300 feet of 1½-inch hose with two nozzles.

The company's two story brick engine house was erected in 1914. Some time later a tract of land of about 20 acres and known as the "Firemen's Grove" was purchased and used as a park. Later this was sold and the money put into government bonds.

By 1924 the Biglerville fire company roster included over 60 names. They were H. C. Bucher, C. W. Bream, E. L. Bowers, J. W. Bringham, R. L. Carbaugh, Earl Carey, J. W. Deardorff, Paul Diehl, W. K. BURY SUPREME COURT JUSTICE MURPHY FRIDAY

Detroit, July 20 (AP)—The state and nation that U. S. Supreme Court Justice Frank Murphy served for more than a score of years in public life mourned him today.

Flags across Michigan flew at half staff, in honor of the well-known Democrat who died of a heart attack here yesterday morning at the age of 59.

Justice Murphy's portrait was draped in black at Recorder's Court where a brother, George, is a member of the bench.

Quiet funeral services for the former Detroit mayor, Michigan governor, Philippine Islands high commissioner and United States attorney general will be held Friday at his native Harbor Beach on the shores of Lake Huron.

Following Roman Catholic rites at Our Lady of Lake Huron church, the jurist's body will be laid in his family plot at Rock Falls cemetery. His brother and a sister, Mrs. Margaret Teahan, decided against having the body lie in state.

A delegation of officials from Washington planned to attend the funeral services.

Secretary of Labor Maurice Tobin will represent President Truman who yesterday called Murphy a judge whose opinions "ever were tempered with a deep sense of justice and righteousness and an abiding love of his fellow man."

Supreme Court Chief Justice Vinson and Justice Black expected to attend. A congressional group will be headed by Michigan Senators Vandenberg and Ferguson, as well as Representatives Dingell and Rabaut (D-Mich.) and Woodruff and Shafer (R-Mich.).

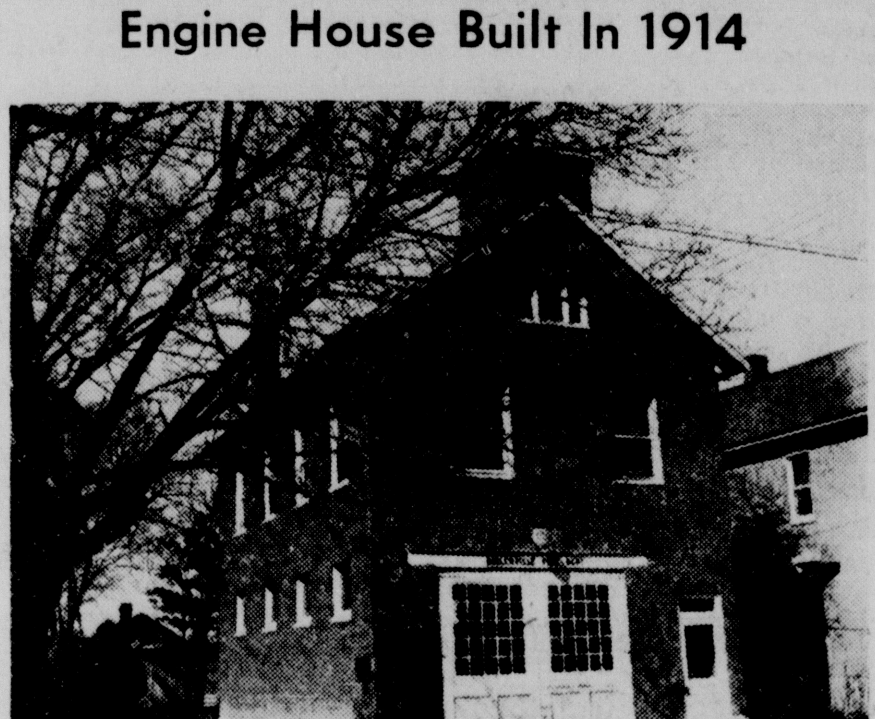

Justice Murphy, a Supreme Court justice since 1940, had been in poor health for several weeks, but his death came as a shock to friends and political associates as well as the public.

RUSSIANS SAY ITALY INDUCED TO BREAK WORD

London, July 20 (AP)—Russia accused the big three western powers today of getting Italy to violate the terms of her peace treaty by inviting her to sign the North Atlantic pact.

The Moscow radio said that in notes to the United States, Britain, France and Italy herself, Russia has charged that Italy had violated the terms of her peace treaty when she signed the Atlantic document by invitation of the big three.

Expected To Ratify

The Soviet Union sent the notes in the midst of Italian debate on ratification of the Atlantic charter.

Ratification currently is under discussion in Italy's chamber of deputies where a majority of Christian Democrats is expected to win quick approval.

In the Italian Senate, the Christian Democrats, largest group in that

body are expected to gain backing from Liberals and anti-Communist Socialists to insure ratification.

"Aimed At Russia"

The Soviet note charged that the North Atlantic treaty is an aggressive instrument aimed at Russia and the "Peoples' Democracies."

Italy signed a peace treaty with the big four and 16 other nations in Paris, on February 10, 1947. She signed the North Atlantic pact in Washington last April 4 along with the U. S., Britain, France and eight other nations.

The Russian note said that in joining this alliance Italy broke the peace treaty clauses which (1) pledged her "to abstain from undertaking any actions directed against states with which that treaty was signed and consequently not to join any alliances or other groupings pursuing aggressive aims" and (2) which limited her army, navy, air force and war industry."

Building Ideas For Home Owners Of This Community

3-Bedroom House Offers Upkeep Economy

There's a note of modernity in the style of "The Tipton," a 3-bedroom house design by the Home of the Week Plan Service. Yet this low, crisp white dwelling lacks the radical lines which make so many so-called "modern" homes inappropriate to the average residential neighborhood.

The low-built features of The Tipton mean economy in maintenance, for the ordinary handyman-owner could carry out his own repainting and repair work on such a home. In these days of high labor costs, this is a point worthy of consideration.

The house has an over-all measure of 35 x 35 feet. Thus a 50-foot front lot would be necessary as a minimum site. A corner location was chosen for the example pictured. Here the exterior walls were wide clapboards, painted white; a good contrast for the black asphalt shingled roof. Walls could be stuccoed, shingled or of masonry construction if desired.

Cubage of this house is 22,800 feet.

Has Small Entry Hall

A stock pattern front door with glazed top panels opens into a small, square entry hall which gets additional light from a porthole-type window. There is a coat closet in the hall, opposite the front door. At the right an open archway looks in on the 18 x 12-foot living room. The narrow inside wall of this room contains a fireplace flanked by built-in bookcases. The large picture window on the front of the house floods the room with daylight. The long inside wall is broken only by a door leading to an L-shaped rear hall.

Bedrooms and bathroom are off this hall. A linen closet, clothes closet and broom closet are located in the hall area.

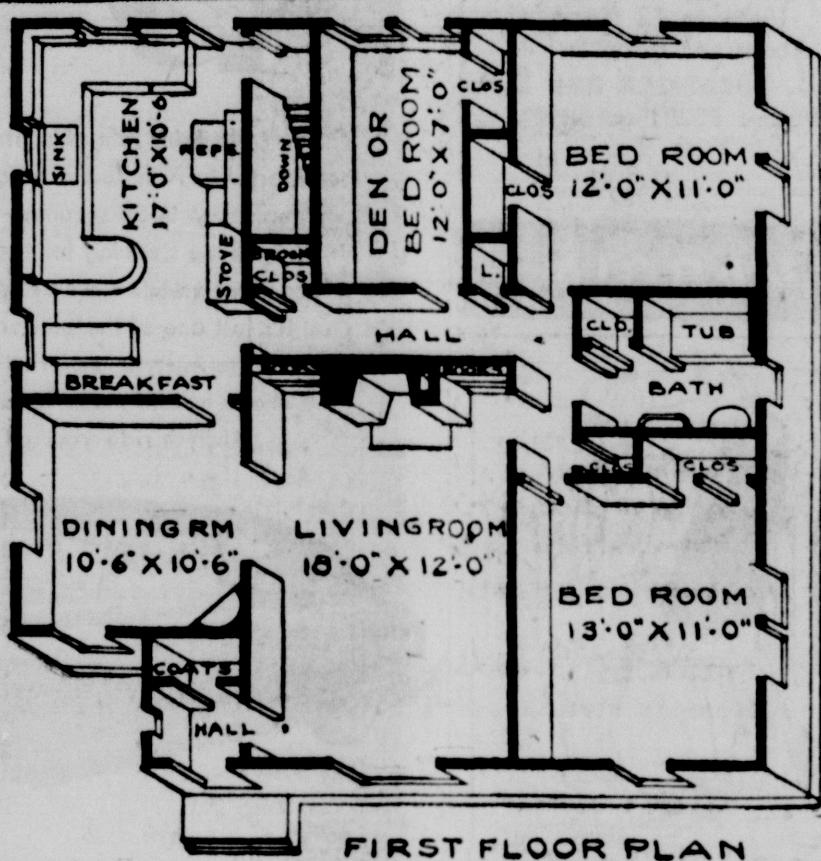

The bedrooms are 13 x 11, 12 x 11 and 12 x 7 feet. The two larger rooms each have windows on two exposures and extra large clothes closets. The bathroom is between these two rooms. It also contains a large storage closet.

The small bedroom, which could be used as a den, has a double window looking out to the rear yard area. This room also has a large clothes closet. A long unbroken corner wall space suggests use of a built-in bunk for this room if it is to be used as a child's bedroom.

Large Windows in Dining Room

The dining room and kitchen are located in the projecting wing of the house at the left of the front entrance. This makes possible placement of two large windows in the 10 1/2 x 10 1/2-foot dining room, connected with the living room by a wide open arch. A built-in china cabinet fills one corner beside the living room archway.

The 17 x 10 1/2-foot kitchen, on the rear of the house, has a built-in breakfast nook, under a high win-

FIRST FLOOR PLAN

dow, at the left of the swinging door from the dining room. Beyond this nook, a U-shaped working counter and sink, with wall cabinets above, fills the wall space, ending at the service entry on the rear of the house. Beside this door another door closes off a landing at the head of the cellar stairs. Refrigerator and stove are lined against the room's inside wall by this door. A door to the rear hall opens at the right of the stove's location.

Full Cellar

The full cellar of The Tipton will have the heating plant placed under the small bedroom or den, and laundry facilities under the kitchen. Space beneath the living room could be partitioned off into a recreation room.

In some locations, it might be pos-

sible to limit cellar excavation to the area under the den, kitchen, dining and living rooms; with partial excavation made under the two larger bedrooms.

Pull insulations of ceiling area and walls is advised for a house such as this. The architect also suggests a location that faces from west to northeast.

Complete plans and specifications for "The Tipton" and other houses in this series are available at moderate cost. To ascertain the exact prices of these documents, write to the Home Building Editor, The Gettysburg Times, and enclose a self-addressed envelope bearing a 3-cent stamp. At least one week should be allowed for a reply.

TALK TO DEALER THEN REMODEL

Substantial savings in money, time and work result if the homeowner will discuss his remodeling plans with his building material supply dealer before starting any new construction, from the building of a few simple shelves to a new addition to the house. The building supply dealer's cost estimate can be used as a guide when figuring with a contractor.

If the owner plans to do the work himself, the dealer's advice on materials often saves many dollars. When ordering lumber it is important to know the exact mea-

surements and the proper kind, grade and size of lumber that will cut with least waste. Clear select grades may not be required except for exposed shelving or trim. Soft wood comes in even lengths of 8 to 20 feet, and in 1-, 2-, and 3-inch thicknesses.

The first dimension in lumber is the thickness, second is width, and third the length. Thus a 2"x4"x12' is a piece of lumber 2 inches thick, 4 inches wide, 12 feet long and contains 8 board feet. Most lumber is sold by the board foot which is the equivalent of 1" thick, 1' wide and 1' long. Molding is sold by the linear foot and plywood by the square foot. To simplify matters for homeowners, many dealers are pricing lumber items by the linear foot.

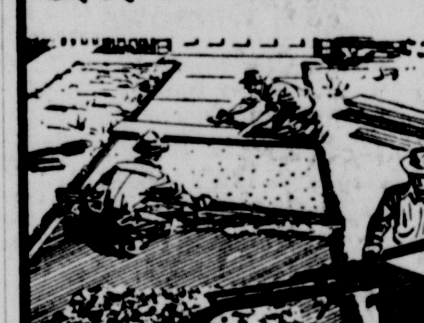

'Disappearing Stairs' Add To Floor Space

Of particular interest to the owner of a small home where every foot of space must be put to use are "disappearing stairs," which may be used to connect the attic with the rest of the house.

Saving valuable floor space otherwise necessary for a built-in stairway, the "disappearing stairs" operate on a counterbalance plan and are lowered from the attic only when needed. They are especially valuable in homes where the attic is used only for storage and the stairs are seldom used.

Ladies!

IT'S LIKE SELECTING THE PATTERN

. . . . FOR THAT NEW DRESS

Yes, Ladies, in a way, selecting materials with which you will build your home is very much like choosing the fabrics that you will use in designing and fashioning a new and important dress.

When you select, you always want quality, quantity (just the right amount), and that beauty which is lasting and pleasing to your aesthetic tastes. These things, and economy as well, can be secured at the Gettysburg Building Supply Co.

Like a dress, a beautiful home is never complete without just the correct accessories. It is invariably the right millinery . . . or the right roofing. It is invariably the comfortable foundation for the individual garment . . . or the durable one for your home. You choose all wool for winter wear . . . rock wool insulation for your home, and . . . OPEN HEARINGS
JULY 28 OVER
STEEL DISPUTE

Washington, July 20 (AP)—The fact-finding board in the steel labor dispute organized Monday and announced it will open public hearings July 28 in New York.

The organization meeting was held at the White House.

Chairman Carroll Daugherty said that the decision to delay hearings until July 28 would give both sides ample time to prepare their evidence for the board's consideration.

The board will meet two days earlier in New York with representatives of the steel industry and of the CIO United Steelworkers to "arrange for procedural matters."

To Name Secretary

The chairman said that Monday morning's discussion had to do with organization of the committee and other matters of business. An executive secretary will be appointed later.

The place of the hearings in New York city has yet to be designated. The board broke up its meeting after about 45 minutes.

As they did so, the White House made public a letter from Samuel I. Rosenman, one of its members, and a former special counsel to President Truman.

Rosenman wanted it to be made a matter of record that his New York city law firm is counsel to the Rot-

MENTION TWO FOR MURPHY'S SEAT IN COURT

By JACK BELL
Washington, July 20 (AP)—Aides said today President Truman may act soon to fill the vacancy caused by the death of Justice Frank Murphy.
The Justice, who died yesterday

in Detroit after a heart attack, will be buried Friday after funeral services at Harbor Beach, Mich.
His death came at a time when the court was in summer recess and not scheduled to resume work until October. But friends said the President is not likely to delay picking a new Justice for any length of time. It will be his third Supreme Court appointment in four years.
Top mention for Murphy's successor went to two senators, both Roman Catholics like Murphy who was the only member of his faith on the high court bench.
Senator O'Mahoney (D-Wyo.),

who wanted to run for Vice President on the ticket with Mr. Truman last year but yielded to Alben W. Barkley, was credited in some quarters with having an inside track for the appointment.
However, O'Mahoney, a westerner, shared a place in the speculation with Senator McGrath of Rhode Island, the Democratic national chairman, McGrath, former solicitor general, quarterbacked the President's successful election campaign last year.
Attorney General Tom Clark, who stuck by the President when many didn't think he had a chance to beat Gov. Thomas E. Dewey of New York,

DEMOCRACIES GET PROMISE OF U.S. HELP

By ERNEST B. VACCARO
Chicago, July 20 (AP)—Struggling democracies had President Truman's assurance today of United States leadership to provide "enough force" to maintain peace in a world he said is endangered by broken Russian promises.
With the United Nations charter signed and the collapse of Japan, he said, the peace for which the world had prayed "didn't come—it didn't come."
"For we found that we had an ally, an ally whose habit it is, and whose habit it has been since 1917, to make agreements for the purpose of breaking them," he declared.
Off the Cuff Speech
"Now it is absolutely necessary that we assume the leadership among the democracies of the world, so that there will be enough force in this world to main the peace."
Mr. Truman's remarks were delivered off the cuff at a shrine dinner at the Stevens hotel last night following a formal address earlier in the day at soldier field. At the big lake front stadium he reported apparently increasing "tensions and conflicts" behind the iron curtains.
He ordered his plane, the "Independence" warmed up for a 7 a. m. (EST) take off for Washington. He is due in the capital about two hours later.
Third Talk of Day
The dinner address, his third of the day, climaxed his attendance at

the diamond jubilee session of the Shriners of North America.
Talking to 2,000 nobles and their ladies, he said if the United States had stayed out of the United Nations "the only thing left for us would be to crawl into our shells and prepare for the destruction of the world, and ourselves with it."
Contrasting current expenditures with those of the war, Mr. Truman said the 1946 fiscal year budget called for spending \$103,000,000,000. He said that the month after Japan folded up in September, 1945, he cancelled \$60,000,000,000 in war contracts "and made a recession in ex-

Wife In Hospital; Husband Is Killed
Lancaster, Pa., July 20 (AP)—A 24-year-old man, whose wife is a maternity patient at Lancaster General hospital, died in the same hospital today of injuries he suffered in an auto-truck crash.
The man, Richard J. Miller, suffered injuries of \$63,000,000,000.
He thought spending could be brought down to "where we could stand it," he said, and "then came the cold war—and the European Recovery program."

ferred a skull fracture and a broken neck, as the car in which he was riding crashed into a parked trailer on the Manheim pike outside of Lancaster, State Trooper Edward Maloney reported. Miller died in the hospital an hour later.
Another passenger in the car Charles H. Benson, 26, of Lancaster suffered a skull fracture and other injuries.
Maloney said the truck driver John E. Fogelsonger, 32, of Chambersburg, had parked his vehicle a short time before the crash was at a nearby all-night garage.

It's too late NOW!

Destructive wheel misalignment and unbalance destroyed these tires—the drivers didn't know anything was wrong—until it was too late.

When unchecked, destructive wheel conditions do much other damage. They cause excessive wear to steering gear and steering connections; king pins and king pin bushings; spring shackles, shock absorbers and wheel bearings.

Like sneak thieves, destructive wheel conditions rob you of SAFETY and make the car old before you suspect anything is wrong.

That is why it pays to have us check Wheel Balance and Wheel Alignment regularly. We detect and correct destructive wheel conditions before serious damage occurs. Drive in and see how it's done.
